

Criteria for 7th Grade Summer Reading Book Summary

You must submit one for each required book you read this summer. You do not need to complete a summary for the Teacher Recommended Book choice. Set up your paper in the typical school format for assignments.

Each must be a minimum of 150 words.

15 %--- Title, Author, Publisher, Year of Publication

40%-- You must write a summary of the story, which *should include the ending of the story*. Also, you should describe the main character, his or her personality, actions, and motivations.

45%-- You should talk about the ending and your reaction to it. Possible questions you could address: Did it surprise you? Did it satisfy you? Was it real to you? Did it ruin the book?

When you talk about the ending, it is very important that you explain why you felt the way you felt.
