

READING without WALLS

Expand your Reading Horizons -
Read a book outside your comfort zone!

A book about a character who doesn't look or live like you.

Books are a great way to get to know people who are different from us. What can you learn about other people or places from a book? Can you find similarities to your life? What surprised you most?

A book about a topic you don't know much about.

What is it like to move to a new country? Is there life anywhere else in the universe? How do they build bridges so they won't fall down? Visiting somewhere new? Find a book about a famous person from that place.

A book in a format you don't normally read for fun.

If you only read books with words, give a graphic novel a try. If you only read graphic novels, try a prose novel, a book of poems, or a picture book biography. If you are going on a long car ride, try an audiobook to keep you company.

Need ideas? The library is open all summer at:
